SPEAKER WITHEM:   LB 852 advances.   Next item.

CLERK:   LB 853 introduced by Senator Hall.   (Title read.)

SPEAKER WITHEM:   Senator Wehrbein, 853.

SENATOR WEHRBEIN:   Yes, Mr. Speaker.   This bill would amend Section 71-1293 which has an internal reference to Chapter 71, Article 27.   The sections in Chapter 71, Article 27 have been transferred to Article 1.   This bill would eliminate that reference.   It would also substitute two named acts for two other chapter and article references in which in this case are the Nebraska Cosmetology Act and the Occupational Therapy Practice Act.   I move advancement of the bill.

SPEAKER WITHEM:   Senator Ashford.   Senator Ashford waives off.   Anybody else to discuss LB 853?   Any closing?   Closing has been waived.   We'll proceed to vote on LB 853.   All in favor vote aye, all opposed vote nay.   Have you all voted?   Record.

CLERK:   25 ayes, 0 nays, Mr. President, on the advancement of 853.

SPEAKER WITHEM:   LB 853 is advanced.   Next item.

CLERK:        LB 854, a bill introduced by Senator Hall.   (Title read.)

SPEAKER WITHEM:   Senator Wehrbein.

SENATOR WEHRBEIN:   Yes, thank you, Mr. Speaker.   LB 854 has Section 79-2101 which prescribes the membership of the Nebraska Educational Telecommunications Commission.   One subsection prescribed the membership through the expiration of the terms of members serving on July 9, 1988.   The other subsection prescribes the membership of the commission after that time.   As subsection one has basically obsolete provisions, this bill would eliminate them.   I move the advancement of LB 854.

SPEAKER WITHEM:   Motion is to advance LB 854.   Is there any discussion?   Seeing none, Senator Wehrbein.   Waives off.
